

Remarks

This amendment is directed to split multiple dependent claims in the original international application. Applicant has amended respective multiple dependent claims 5, 6 and 7 to single dependent claims, accordingly.

Newly added claims 8-10 are spun out from the original multiple dependent claims 5-7 which then depend from the second independent claim 3.

Specification, drawing and abstract remain unchanged.

No new matters are included in this amendment.

Applicant now respectively requests a timely examination of the PCT national stage application in consideration of this preliminary amendment.

Respectively submitted,

IPLA P.A.
